MOBILE PHLEBOTOMY SERVICES

A BETTER WAY TO MEET YOUR LABORATORY NEEDS

HIGHLY-SKILLED MOBILE PHLEBOTOMISTS

Our HIPAA-compliant team has over 55 years of experience providing phlebotomy services to the community and is trained in Elderly Abuse Prevention.

NEXT-LEVEL COURIER SYSTEM

Our couriers are ready to pick up samples directly from our clients for convenient care and prompt results.

CONVENIENT STANDING ORDERS

Our technology and workflows ensure your standing orders are completed as scheduled.

USER-FRIENDLY CLIENT PORTAL

The filtering features and search options available on our online client portal helps clients easily access and download test results.

PROMPT QUALITY ASSURANCE REPORTING

We meet testing requirements by conducting rejection reports and monthly meetings to ensure the completion of all standing orders.

SUPERIOR CUSTOMER SUPPORT

Each client is assigned an account manager who provides ongoing support and a direct line of communication to the laboratory.
